GSP®

QUALIFIED ACADEMIC PROGRAMS (QAPs)

The following academic programs meet standards which qualify graduates for BCSP's Graduate Safety Practitioner® (GSP®) designation.

BCSP | Board of Certified® Safety Professionals

Accredited University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Alabama – Birmingham, University of*	Master of Engineering, Advanced Safety Engineering and Management	_____	**Graduate between: 08/01/2010 – 12/31/2021** Must apply by 12/31/2022 **Graduate on or after: 01/01/2022** Apply within one year of graduation
Anna University, Chennai**	Master of Technology in Industrial Safety and Hazards Management	_____	Must apply within one year of graduation
Boise State University*	Public Health, Environmental and Occupational Health Emphasis, BSPH *(Formerly Environmental and Occupational Health, BS)*	_____	Must apply within one year of graduation
Brigham Young University - Idaho*	Occupational Safety and Health, BS *(Formerly Health Science, Occupational Safety and Health Major, BS)*	_____	Must apply within one year of graduation
California State University - Fresno*	Environmental, Occupational Health and Safety, BS *(Formerly Environmental Health and Safety, BS)*	_____	Must apply within one year of graduation
California State University - Sacramento*	Public Health, Occupational Health and Safety Concentration, BS	_____	**Graduate between: 08/01/2018 – 03/31/2021** Must apply by 03/31/2022 **Graduate on or after: 04/01/2021** Apply within one year of graduation
Capitol Technology University*	Construction Safety, BS	_____	Must apply within one year of graduation
Capitol Technology University*	Construction Safety, MS	_____	Must apply within one year of graduation

Accredited University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Central Missouri, University of*	Environmental, Safety, and Risk Management, BS	——————	Must apply within one year of graduation
Central Missouri, University of*	Industrial Hygiene, MS	ABET	Must apply within one year of graduation

Central Missouri, University of*	Occupational Safety, BS
	    Environmental Management Option
	    Occupational Health Management Option
	    Safety Management Option
		ABET	Must apply within one year of graduation

Central Missouri, University of*	Occupational Safety and Health, BS	ABET	Must apply within one year of graduation

Central Missouri, University of*	Occupational Safety Management, MS
	    EHS Degree/Work Experience Option
	    Foundation Option
	    Professional Certification Option
		ABET	Must apply within one year of graduation

Central Missouri, University of*	Safety Management, BS	——————	Must apply within one year of graduation
Central Oklahoma, University of*	Occupational Safety, BS *(Formerly Industrial Safety, BS)*	——————	Must apply within one year of graduation
Central Washington University*	Safety and Health Management, BS	ABET	Must apply within one year of graduation

Accredited University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Central Washington University*	Safety and Health Management, MS	_____	Must apply within one year of graduation
Central Washington University*	Risk, Insurance, and Safety Management, BAS	_____	Must apply within one year of graduation
Central Washington University*	Risk, Insurance, and Safety Management, BS	_____	Must apply within one year of graduation
Cincinnati, University of*	Environmental Health and Industrial Hygiene, MS	ABET	Must apply within one year of graduation
Cochin University of Science and Technology**	Bachelor of Technology in Safety and Fire Engineering	_____	Must apply within one year of graduation
Cochin University of Science and Technology**	Master of Technology in Industrial Safety, HSE Management Specialization	_____	Must apply within one year of graduation
Colorado State University*	Environmental Health, Industrial Hygiene Specialization, MS	ABET	Must apply within one year of graduation
Columbia Southern University*	Occupational Safety and Health, BS *(Must submit a "Verification of Education" form with your application. Please check with your academic advisor to be evaluated and accepted into the new program beginning April 12, 2017.)*	_____	Must apply within one year of graduation

Accredited University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Columbia Southern University*	Occupational Safety and Health, MS	——————	Must apply within one year of graduation
East Carolina University*	Occupational Safety, MS	ABET	Must apply within one year of graduation
Eastern Kentucky University*	Occupational Safety, BS	——————	Must apply within one year of graduation
Eastern Kentucky University*	Safety, Security & Emergency Management, MS Occupational Safety Concentration	——————	Must apply within one year of graduation
Embry-Riddle Aeronautical University-Daytona Beach*	Aerospace and Occupational Safety, BS *(Formerly Safety Science, BS)*	ABET	Must apply within one year of graduation
Embry-Riddle Aeronautical University-Daytona Beach*	Occupational Safety Management, MS	——————	Must apply within one year of graduation
Embry-Riddle Aeronautical University-Prescott*	Safety Science-Occupational Safety & Health, MS *(Formerly Safety Science, MS)*	AABI	Must apply within one year of graduation
Embry-Riddle Aeronautical University-Worldwide*	Occupational Safety Management, MS	——————	Must apply within one year of graduation

Accredited University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Embry-Riddle Aeronautical University-Worldwide*	Safety Management, BS	——————	Must apply within one year of graduation
Embry-Riddle Aeronautical University-Worldwide*	Technical Management, Occupational Safety and Health Major, BSTM	——————	Must apply within one year of graduation
Fairmont State University*	Occupational Safety, BS	ABET	Must apply within one year of graduation
Findlay, University of*	Environment, Health, Safety, and Sustainability, BS (Formerly Environmental Safety and Occupational Health Management, BS)	ABET	Must apply within one year of graduation
Florida Institute of Technology*	Aviation Safety, MSA	——————	Must apply within one year of graduation
Grand Valley State University*	Occupational Safety and Health Management, BS	ABET	Must apply within one year of graduation
Georgia Institute of Technology*	Professional Master's in Occupational Safety and Health	——————	Must apply within one year of graduation
Houston-Clear Lake, University of*	Occupational Safety & Health - Safety, BS (Formerly Environmental Science - Safety, BS)	ABET	Must apply within one year of graduation

Accredited University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Houston-Clear Lake, University of*	Occupational Safety & Health - Industrial Hygiene, BS *(Formerly Environmental Science - Industrial Hygiene, BS)*	ABET	Must apply within one year of graduation

Houston-Clear Lake, University of*	Occupational Safety & Health, MS
	    Safety Specialization
	    Industrial Hygiene Specialization
		_____	Must apply within one year of graduation

Illinois State University*	Occupational Safety and Health, BS *(Formerly Safety, BS)*	ABET	Must apply within one year of graduation
Illinois-Chicago, University of*	Industrial Hygiene, MPH	ABET	Must apply within one year of graduation
Illinois-Chicago, University of*	Industrial Hygiene, MS	ABET	Must apply within one year of graduation
Illinois-Chicago, University of*	Occupational Safety, MPH	_____	Must apply within one year of graduation
Illinois-Chicago, University of*	Occupational Safety, MS	_____	Must apply within one year of graduation
Indiana State University*	Safety Management, BS	ABET	Must apply within one year of graduation
Indiana University - Bloomington*	Applied Health Science, Safety Option, BS	_____	Must apply within one year of graduation

Accredited University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Indiana University - Bloomington*	Applied Health Science, Safety Management, MS	——————	Must apply within one year of graduation
Indiana University of Pennsylvania*	Safety, Health and Environmental Applied Science, BS *(Formerly Safety Science, BS)*	ABET	Must apply within one year of graduation
Indiana University of Pennsylvania*	Safety Sciences, MS	——————	Must apply within one year of graduation
Iowa State University*	Industrial Technology, Occupational Safety Option, BS *(Must submit a "Degree Audit" with your application.)*	——————	Must apply within one year of graduation
Jacksonville State University*	Occupational Safety and Health Management, BS	——————	Must apply within one year of graduation
Keene State College*	Construction Safety Sciences, BS	——————	Must apply within one year of graduation
Keene State College*	Safety and Occupational Health Applied Sciences, BS	——————	Must apply within one year of graduation
Keene State College*	Safety and Occupational Health Applied Sciences, MS	——————	Must apply within one year of graduation

ABET — Accreditation Board for Engineering and Technology accredited
AABI — Aviation Accreditation Board International accredited

Accredited University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Marshall University*	Occupational Safety and Health, BS *(Formerly Safety Technology Occupational Safety Option, BS)* *(Formerly Safety Technology, BS)*	ABET	Must apply within one year of graduation
Michigan, University of*	Environmental Health Sciences-Industrial Hygiene, MPH	ABET	Must apply within one year of graduation
Millersville University of Pennsylvania*	Occupational Safety & Environmental Health, BS *(Formerly Occupational Safety/Hygiene, BS)*	ABET	Must apply within one year of graduation
Minnesota-Duluth, University of*	Environmental Health and Safety, MS	——————	Must apply within one year of graduation
Missouri Southern State University*	Environmental Health and Safety, BAS	——————	Must apply within one year of graduation
Missouri Southern State University*	Environmental Health and Safety, BS	——————	Must apply within one year of graduation
Montana-Montana Tech, University of*	Industrial Hygiene, MS	ABET	Must apply within one year of graduation
Montana-Montana Tech, University of*	Industrial Hygiene Distance Learning Professional Track, MS	ABET	Must apply within one year of graduation

Accredited University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Montana-Montana Tech, University of*	Occupational Safety and Health, BS	ABET	Must apply within one year of graduation
Murray State University*	Occupational Safety and Health, BS	ABET	Must apply within one year of graduation
Murray State University*	Occupational Safety and Health, MS	ABET	Must apply within one year of graduation
National Institute of Industrial Engineering**	Post Graduate Diploma in Industrial Safety and Environment Management	_____	Must apply within one year of graduation
National Institute of Technology, Tiruchirappalli *(Formerly The Regional Engineering College, Tiruchirappalli)***	Master of Technology/Master of Engineering in Industrial Safety Engineering	_____	Must apply within one year of graduation
North Alabama, University of*	Occupational Health Science, BA *(Formerly Industrial Hygiene, BA)*	ABET	**Graduate between: 08/01/2001 – 06/30/2021** Must apply by 06/30/2022 **Graduate on or after: 07/01/2021** Apply within one year of graduation
North Alabama, University of*	Occupational Health Science, BS *(Formerly Industrial Hygiene, BS)*	ABET	**Graduate between: 08/01/2001 – 06/30/2021** Must apply by 06/30/2022 **Graduate on or after: 07/01/2021** Apply within one year of graduation

Accredited University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
North Carolina-Charlotte, University of*	Fire & Safety Engineering Technology-Occupational Safety Concentration, BSET	————	Must apply within one year of graduation
North Carolina A&T State University*	Environmental Health and Safety, BS	ABET	Must apply within one year of graduation
Northeastern State University*	Environmental, Health, and Safety Management, BS	————	Must apply within one year of graduation
Oakland University*	Environmental Health and Safety, BS *(Formerly Occupational Safety and Health, BS)* *(Formerly Industrial Health and Safety, BS)*	ABET	Must apply within one year of graduation
Oakland University*	Safety Management, MSSM	ABET	Must apply within one year of graduation
Oklahoma Health Sciences Center, University of*	Industrial Hygiene and Environmental Health Sciences, MS	ABET	Must apply within one year of graduation
Oklahoma State University*	Fire Protection and Safety Engineering Technology, BS *(Formerly Fire Protection and Safety Technology, BS)*	ABET	Must apply within one year of graduation
Oregon State University*	Environmental and Occupational Health, MPH	————	Must apply within one year of graduation

Accredited University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Pittsburg State University*	Environmental and Safety Management, BST	_____	Must apply within one year of graduation
Purdue University Northwest*	Organizational Leadership and Supervision, EHS Specialization, BS *(Formerly Organization Leadership and Supervision, Safety Specialization, BS)*	ABET	Must apply within one year of graduation
Purdue University at West Lafayette*	Occupational and Environmental Health Sciences, BS *(Formerly Occupational Health Science, BS)* *(Formerly Industrial Hygiene, BS)*	ABET	Must apply within one year of graduation
Purdue University at West Lafayette*	Occupational and Environmental Health Sciences, MS	ABET	**Graduate between: 08/01/2006 – 09/30/2021** Must apply by 09/30/2022 **Graduate on or after: 10/01/2021** Apply within one year of graduation
RTM Nagpur University - National Fire Science College**	Bachelor in Fire Engineering	_____	Must apply within one year of graduation
Sahid University, Jakarta**	Master of Science in Occupational Health and Safety Management	_____	Must apply within one year of graduation
Slippery Rock University of Pennsylvania*	Safety Management, BS *(Formerly Safety and Environmental Management, BS)*	_____	Must apply within one year of graduation
Southeastern Louisiana University*	Occupational Safety, Health, and Environment, BS	ABET	Must apply within one year of graduation
Southeastern Oklahoma State University*	Occupational Safety and Health, BS	_____	Must apply within one year of graduation

Accredited University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Southeastern Oklahoma State University*	Occupational Safety and Health, MS	——————	Must apply within one year of graduation
Texas A & M University*	Occupational Safety and Health, MPH	——————	Must apply within one year of graduation
Thiel College*	Environmental Safety Management, BS	——————	Must apply within one year of graduation
Toledo, University of*	Occupational Health - Industrial Hygiene, MS	ABET	Must apply within one year of graduation
Tulane University*	Industrial Hygiene, MSPH *(Formerly Environmental Health Science, MSPH)*	ABET	Must apply within one year of graduation
Utah State University*	Public Health: Industrial Hygiene Emphasis, BS	ABET	Must apply within one year of graduation
Utah, University of*	Occupational Health - Industrial Hygiene Emphasis, MSOH	ABET	Must apply within one year of graduation
Waldorf University*	Occupational Safety, BAS	——————	Must apply within one year of graduation
Waldorf University*	Occupational Safety, BA	——————	Must apply within one year of graduation

Accredited University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Wayne State College*	Industrial Technology-Safety Management Concentration, BS	_____	Must apply within one year of graduation
West Virginia University*	Industrial Hygiene, MS *(Formerly Occupational Hygiene and Occupation Safety, MS)*	ABET	Must apply within one year of graduation
West Virginia University*	Safety Management, MS	ABET	Must apply within one year of graduation
Wisconsin-Platteville, University of*	Industrial Technology Management, Construction Safety Management Emphasis, BS *(Formerly Industrial Technology Management, Building Construction, Safety Management Emphasis, BS)*	_____	Must apply within one year of graduation
Wisconsin-Platteville, University of*	Industrial Technology Management, Occupational Safety Management Emphasis, BS	_____	Must apply within one year of graduation
Wisconsin-Stout, University of*	Risk Control and Safety Management, MS *(Formerly Risk Control, MS)*	_____	Must apply within one year of graduation
Wisconsin-Whitewater, University of*	Environmental Safety and Health, MS	_____	Must apply within one year of graduation
Wisconsin-Whitewater, University of*	Occupational Safety, BS	ABET	Must apply within one year of graduation

*U.S. academic institutions are recognized by the U.S. Department of Education and/or the Council of Higher Education Accreditation (CHEA), and the SH&E degree program demonstrates a substantial match to the current Associate Safety Professional® (ASP®) examination blueprint.

**Non-U.S. academic institutions are accredited and/or recognized in their country of origin, are determined to be comparable to U.S. accreditation standards as evaluated by a third party, and the SH&E degree program demonstrates a substantial match to the current Associate Safety Professional (ASP) examination blueprint.
