GUIDELINES

The following guidelines will assist you during the submission process for the Lifetime Achievement Award.

The BCSP Awards Committee will review each candidate on the basis of the submission and information provided.

The submission will be evaluated based on each of the following areas. Please be sure to use precise descriptions of achievements.

CRITERIA

Demonstrated technical expertise and leadership that lead to a successful safety, health and environmental (SH&E) career.

The submitted resume or bio should detail that candidate has demonstrated SH&E expertise and leadership throughout their professional career.

Voluntary professional contributions to advance the SH&E profession, through serving on safety related Boards, governmental committees, national/regional committees, instructing at an educational institution, influencing codes and legislation, publishing articles, etc.

List the candidate's service to professional societies, safety organizations, and/or any volunteer professional service activities provided to advance the SH&E profession. Include types of contributions and the results of the contribution.

Examples include:

- Serving as an officer at a national, regional, state, or local level in a safety society or association.
- Developing and/or teaching SH&E-related courses or seminars that are outside of the candidate's job description.
- Participation in BSCP role delineation, item writing workshops, and/or reviewing examination items.
- Volunteering SH&E services to a non-safety organization.
- Presentations about certification at an SH&E conference or training workshop.
- Service to an editorial board.
- Publishing an SH&E-related book.
- Describe any significant impact made by the candidate on standards, legislation, or codes that affect the SH&E profession.

Involvement as a BCSP mentor.

Describe the candidate's involvement as a BCSP mentor and/or their role in assisting the career development of others.

Received awards, including citations, honors, and plaques by other organizations, and other personal achievements related to the SH&E profession.

Describe awards and honors bestowed upon the candidate. Explain the nature and purpose of the awards or honors and how the candidate earned them. Include any local awards or letters of appreciation and regional or national awards in SH&E. Please do not provide copies of the awards; written notation is all that is required.

Describe any additional personal achievements related to the SH&E profession not indicated in any other criteria listed above.

Summary explaining why candidate should be chosen for the Lifetime Achievement Award

Explain why the candidate should be chosen for the Lifetime Achievement Award. Explanations should be specific to their contributions to an SH&E-related field.
